

## Ingenico Group finalizes the acquisition of Nera Payment Solutions

Ingenico Group (Euronext: FR0000125346 – ING), the global leader in seamless payment, announced today that it has completed its acquisition of Nera Payment Solutions Pte. Ltd., a subsidiary of Nera Telecommunications Ltd, a company listed on the Singapore stock exchange (SGX: N01).

This acquisition will give to Ingenico Group a more extensive portfolio of payment applications and the expanded distribution and service network it needs for swift deployment of its entire product range in Southeast Asia.

### **About Nera Telecommunications Ltd**

Nera Telecommunication Ltd (SGX: N01) has over 37 years' experience designing communication solutions and telecommunications infrastructure. Headquartered in Singapore, it has a global presence spanning 17 countries in SE Asia, Middle East and Africa. With revenue of approximately S\$182 million in 2015, the company operates in two business segments:

#### **1. Telecommunications**

Nera provides wireless infrastructure networks, end-to-end solutions and services in the wireless space to service providers, ISPs, broadcasters, enterprises, government organizations, offshore and utilities. Nera's portfolio covers in-building solutions, outdoor coverage enhancement, RF access network optimization, benchmarking, 3G/ LTE base stations, licensed and unlicensed point-to-point and point-to-multi-point microwave.

#### **2. Infocommunications (comprises two business areas)**

- Network Infrastructure: Nera provides high-performance solutions for IP networks, digital TV broadcast networks and carrier-grade optical networks to service providers, mobile carriers, broadcasters, enterprises, government, and transport and utility companies.
- Payment Solutions: Nera provides distribution (via sale or leasing) and maintenance of point-of-sales payment terminals, electronic payment solutions and other value added services to the banking, financial services and retail industries.
